was employed in the office of Senator WALSH for a period of about one year in approximately 1929 and 1930, working on tariff matters. CLARK said the delegate was hired by Senator WALSH on a temporary basis, and left his position voluntarily to accept a position with the Aluminum Company of America. He stated that the delegate had a brother whom he believed was named MILES ROMNEY, who operated a food shop or ice cream parlor in the District of Columbia area in the early 1930's. CLARK said he knew the delegate and his wife LENORE, quite well socially between 1929 and 1940, and added that he has kept up his contact with the ROMNEYS to the present time, although he does not see them very often now. He stated he recalled that the delegate did some missionary work in Europe for the Mormon Church prior to the time he came to work for Senator WALSH, and that the delegate also went to Europe in 1947 as a delegate to the Metal Trades Conference of the International Labor Office.

CLARK described the delegate as a person of good character and a "square shooter." He said ROMNEY had a very dynamic personality and entered into everything with a lot of energy and enthusiasm. CLARK stated the delegate was very highly regarded in the business world, and associated with people of good reputation. He said ROMNEY and his wife enjoyed an excellent reputation and added that he knew nothing derogatory concerning the delegate or any of his relations. CLARK felt sure the delegate and his wife were completely loyal, patriotic American citizens, and recommended ROMNEY unhesitatingly for the position for which he is being considered.

FREDERIC J. GAUNTLETT, 5802 Kirkside Drive, Chevy Chase, Maryland, advised he was former Manager of the Washington, D. C. Office of the Aluminum Company of America, and in this position was the delegate's superior from about 1930 to 1935. GAUNTLETT advised the delegate was employed in the office of the late Senator DAVID I. WALSH immediately prior to the time he came to work for the Aluminum Company of America as a General Office Man and Assistant to him, (GAUNTLETT). He stated his association with ROMNEY was confined to their association at work, and said he was not acquainted with the delegate's wife. GAUNTLETT described the delegate as a very high type man of good character and excellent habits, who enjoyed a fine reputation. He stated ROMNEY was a very capable person and an excellent worker. He felt sure the delegate was a loyal, patriotic American citizen, and recommended him unreservedly for a position as a Delegate with the International Labor Organization.

H. C. McCORD, Assistant District Sales Manager, Aluminum

Company of America, 1200 Ring Building, 18th and "M" Streets, N. W., advised the delegate was employed by this company in Washington, D. C., as a Public Relations Man, from about 1930 to 1939. He said, to the best of his recollection, the delegate came to the Aluminum Company of America directly from the office of Senator WALSH. McCORD stated that ROMNEY left the Aluminum Company of America voluntarily to accept a better position in Detroit, Michigan. He said he knew the delegate as a fellow employee during the entire period from 1930 to 1939, and found him to be a very high type person of good character, for whom he had only the highest personal regard. McCORD said he had rather limited social contact with the delegate and his wife LENORE, but never knew them to associate with anyone of questionable reputation or loyalty. He said the delegate and his wife enjoyed a very favorable reputation, and he felt sure ROMNEY believes in the American system of free enterprise, and that he and his wife are loyal, patriotic American citizens.

Miss MARGARET NAOMI SHAW, Secretary, Aluminum Company of America, 1200 Ring Building, 18th and "M" Streets, N. W., advised she knew the delegate as a fellow employee in this company from approximately 1930 to 1939. She stated ROMNEY was employed during this time as a Public Relations Man, and left the company voluntarily to accept a position with the Automobile Manufacturing Association in Detroit, Michigan. Miss SHAW stated she was not well acquainted with the delegate and his wife socially, but at office functions she had observed the ROMNEYS were people of good habits, and did not use intoxicants. She described the delegate as a capable person of good judgment, who had a very pleasing personality. She said ROMNEY and his wife were good, substantial citizens, of good character, and who enjoyed an excellent reputation. She stated she knew nothing derogatory concerning the associates of the ROMNEYS, and felt sure they were loyal, patriotic American citizens, and she recommended the delegate for the position for which he is being considered.

REFERENCES

VINCENT P. AHEARN, Executive Secretary, National Sand and Gravel Association, 1325 "E" Street, N. W., advised he has known the delegate both professionally and socially for the past twenty years. He said he is also well acquainted with the delegate's wife LENORE. AHEARN described the delegate as a sober, decent person of good character, who associated with good, reputable people. He said the delegate and his wife enjoyed an

excellent reputation, and that he knew nothing at all derogatory concerning the ROMNEYS. AHEARN said the delegate was "a perfect person by any test for the position for which he is being considered." He felt sure that ROMNEY and his wife were loyal, patriotic American citizens.

J. WILLARD MARRIOTT, President, Hot Shoppes, Incorporated, 1234 Upshur Street, N. W., advised he first met the delegate and his wife, the former LENORE La FOUNT, when they were fellow students with him at the University of Utah, some twenty years ago. He said the delegate has been married only once, and that his wife's given name is not RUTH, but that the wife of the delegate has a sister by this name. MARRIOTT said he knew the delegate and his wife very well socially during the time they resided in Washington, D. C., and that he has kept up his contact with them since they left for Detroit, Michigan. He described ROMNEY as "a high-grade fellow of good character and good habits." He said the delegate is a thorough gentleman, a very competent person, and a good church man. MARRIOTT said the delegate and his wife enjoyed an excellent reputation, and he said he knew nothing derogatory concerning them or any of their relatives. He stated he knew of no one to whom he could give a higher recommendation than the delegate and stated he was sure the ROMNEYS were loyal, patriotic American citizens.

EDUCATION

Records of the Registrar's Office, George Washington University, 21st and "G" Streets, N. W., reflected the delegate was born July 8, 1907, at Chihuahua, Mexico. He attended the Latter-Day Saints High School from September, 1922 until May 28, 1926, Latter Day Saints Junior College during 1925 and 1926, and the University of Utah during the 1928-1929 school year. He was admitted to George Washington University in September, 1929, as a candidate for a Bachelor of Arts Degree, and attended there during the first and second semesters of the 1929-1930 school year. He failed one course in Spanish, but received credit for thirteen hours work, which he completed with average grades. His addresses were shown as 1730 "P" Street, N. W., and #10 Dodge Hotel, Washington, D. C. No other derogatory information was reflected in the university record.

NEIGHBORHOODS

1730 "P" Street, N. W.

Mrs. ALICE C. FOWLER, 5712 33rd Street, N. W., advised she operated a guest house at 1730 "P" Street, N. W., from approximately 1925 to 1931. She said she recalled a GEORGE ROMNEY and another ROMNEY boy,

WFO 77-30406

whom she believed to be a brother to him, living at her guest house for a few months. Mrs. FOWLER said it was her recollection that one of the ROMNEYS worked at the Capitol, and that later the ROMNEY boys ran a food shop here. She stated she could not recall the ROMNEYS sufficiently well to furnish positive information concerning them, but said both of them appeared to be perfect gentlemen and persons of good habits. She said she knew nothing derogatory concerning the ROMNEYS and had no reason to question their loyalty or patriotism.

FRED J. BRENNAN, 5712 33rd Street, N. W., advised he resided in the guest house operated by Mrs. FOWLER at 1730 "P" Street, N. W., from approximately 1925 to 1931. He said he recalled two ROMNEY boys living at 1730 "P" Street, N. W., for a few months during that time, but that he did not recall their given names. He said the ROMNEYS came from Utah or Idaho and were employed at the Capitol. BRENNAN stated he was not well acquainted with the ROMNEYS, but they appeared to be young men of good character and habits. He said he knew nothing derogatory concerning the ROMNEYS and had no reason to think they were not loyal, patriotic American citizens.

20 "E" Street, N. W.

H. G. MCCOLGAN, Manager, Dodge Hotel, 20 "E" Street, N. W., advised that records reflecting the names of residents of the hotel prior to the year 1945, have been destroyed. He stated he was not connected with the hotel prior to 1944, and, therefore, did not know the delegate. MCCOLGAN further stated that he could not suggest anyone who might have known the delegate when he resided at the Dodge Hotel.

4828 16th Street, N. W.

Doctor EUGENE C. RICE, 4133 Jenifer Street, N. W., who resided at 4832 16th Street, N. W., from about 1912 to 1937, S. WEBSTER FLAGG, 4827 16th Street, N. W., who has resided at this address since about 1929, and Mrs. GUY T. STEUART, 4834 16th Street, N. W., who has resided at this address since 1928, advised that they did not know the delegate or his wife.

3133 Connecticut Avenue, N. W.

The 1932 City Directory reflects the delegate and his wife, LENORE L., were occupying apartment 622, 3133 Connecticut Avenue, N. W.,

WFO 77-30406

and the 1933 City Directory reflects their address as apartment 630, same address.

Miss NORMA LONDON, Desk Clerk, Kennedy-Warren Apartments, 3133 Connecticut Avenue, N. W., advised her records failed to disclose any record of the delegate occupying an apartment there.

Mrs. ELIZABETH B. PROCTOR, Apartment 1124, Kennedy-Warren Apartments, 3133 Connecticut Avenue, N. W., advised that she was Resident Manager of this apartment house from 1931 to 1947. She said she vaguely recalled the delegate and his wife living at this address in the early 1930's, and estimated that the ROMNEYS lived there for approximately two or three years. Mrs. PROCTOR stated she was not well acquainted with the ROMNEYS, knew none of their associates, and said she could not suggest anyone who would have been acquainted with them in the apartment house. She said she never saw anything objectionable about the ROMNEYS and she had no reason to believe they were not loyal, patriotic American citizens.

Miss VELLA WINNER, Apartment 531, Kennedy-Warren Apartments, 3133 Connecticut Avenue, N. W., advised that she occupied apartment 621 this address during 1932 and 1933. She advised that she knew the delegate and his wife very casually as neighbors during the time they resided at the Kennedy-Warren Apartments. Miss WINNER said she could not furnish any positive information concerning the ROMNEYS, but as far as she knew, they were decent, respectable people. She said she knew nothing derogatory concerning the ROMNEYS, knew none of their associates, and had no reason to question their loyalty and patriotism. In addition, Miss WINNER said she had met the parents of the delegate's wife, but could not recall their names. She said she knew them socially a number of years ago, and that they enjoyed an excellent reputation.

4000 Cathedral Avenue, N. W.

Miss MARGARET LEWIS, Secretary, Manager's Office, Westchester Apartments, 4000 Cathedral Avenue, N. W., advised her records reflected the delegate rented apartment 729, Westchester Apartments, from June 1, 1933, to September 1, 1935, and rented apartment 825, Westchester Apartments, from September 1, 1935, to March 15, 1938. She stated the records reflected no derogatory information concerning the ROMNEYS. Miss LEWIS advised there has been a complete change of tenants in the vicinity of the apartments occupied by the delegate, since 1938, and she could suggest no one who might recall him other than HERBERT THORNTON, who was the former

WFO 77-30406

Manager of the apartment house.

HERBERT W. THORNTON, 3115 Worthington Street, N. W., advised that he was Manager of the Westchester Apartments during the period from 1933 to 1938. He said he recalled the delegate living there during this time, but he said he could not recall the delegate's wife. THORNTON said he did not know ROMNEY too well, but said his impression was that the delegate was "a very high grade fellow." THORNTON said he knew nothing derogatory concerning the character, reputation, loyalty, or patriotism of the delegate or his family, and he added that he knew of no one who would have been acquainted with the ROMNEYS at the Westchester Apartments as he could not recall their associates there.

2706 44th Street, N. W.

Mrs. WILLIAM E. SCHOOLEY, 4415 Dexter Street, N. W., advised she has lived at this address since 1936. She said she recalled a gentleman who was employed by the Aluminum Company of America and his family living in the house located at 2706 44th Street, N. W., for a short time in about the late 1930's. She stated, however, she had never met the family to which she referred, and said she could furnish no positive information concerning their character, reputation, patriotism, or loyalty, and she knew nothing at all derogatory concerning them.

Mrs. J. COLEMAN DENTON, 4444 Dexter Street, N. W., furnished information substantially the same as that furnished by Mrs. WILLIAM E. SCHOOLEY mentioned above.

Mrs. G. BROWN MILLER, 4409 Dexter Street, N. W., advised she recalled delegate and his wife living at 2706 44th Street, N. W., from approximately 1938-1940. She stated that she was only casually acquainted with the ROMNEYS and had never visited in their home. Mrs. MILLER said the ROMNEYS were quiet, orderly neighbors, and appeared to be respectable people. She stated she knew nothing derogatory concerning the character, reputation, patriotism, or loyalty of the ROMNEYS.

EDWARD K. JONES, 5211 Partridge Lane, N. W., advised he resided at 4401 Dexter Street, N. W., between 1935 and 1940, and was a next door neighbor to the delegate and his family from about 1938 to 1940. He described the delegate as a well-bred, clean-cut person of good character. JONES said ROMNEY and his wife LENORE, were well regarded in the neighborhood, and stated he had no reason to question the loyalty or patriotism of the ROMNEYS.

WFO 77-30406

MISCELLANEOUS

There is no record of the delegate in the files of the Civil Service Commission or the House Committee on Un-American Activities.

The files of the Credit Bureau reflect a report dated January 9, 1940, on GEORGE WILCKEN ROMNEY, whose wife is listed as RUTH LEONORA, and whose address is listed as 1016 Berkshire, Grosse Point, Michigan. The report reflects four satisfactory accounts, two fair accounts, and two slow accounts. It reflects that the subject of the report lived at 2706 44th Street, N. W., Washington, D. C., from March 15, 1938, to January 1, 1940, and had previously lived at the Westchester Apartments for four years, at 3133 Connecticut Avenue, N. W., and at 4828 16th Street, N. W., all Washington, D. C. It further reflects that the subject of the report was formerly employed as a Salesman for the Aluminum Company of America in Washington, D. C., and was then reported to be Manager of the Detroit Office of the Automobile Manufacturers Association.

It is to be noted that the addresses and employments of the delegate correspond with the information in the above credit report, but that persons interviewed during the course of the present investigation, advised the delegate's wife's name was LENORE and not RUTH LEONORA as is set forth in the credit report.

The files of the Credit Bureau reflect no credit information concerning the delegate's brother MILES P. ROMNEY.

The files of the Metropolitan Police Department reflect no record for the delegate, his wife, nor an arrest record which could be identified with the delegate's brother MILES P. ROMNEY.

The Bureau advised that a search of the central files of the FBI has been made and no information of a derogatory nature concerning loyalty which could be identified with the applicant was found.

LEAD SHEET

THE WASHINGTON FIELD DIVISION

AT WASHINGTON, D. C.

Will report the results of a check of the files of the Passport Division, Department of State, when the results of this check are received.

ADMINISTRATIVE SHEET

The files of the House Committee on Un-American Activities reflect that one MILES ROMNEY, Junior, Publisher, The Western News, Hamilton, Montana, was one of the 1600 prominent Americans who signed an open letter to the President of the United States, sponsored by the National Federation for Constitutional Liberties, protesting the deportation of HARRY BRIDGES.

It is to be noted that the National Federation for Constitutional Liberties has been declared by the Attorney General as coming within the purview of Executive Order 9835.

It is to be noted that the delegate has a brother MILES P. ROMNEY, who lives at 1166 East 5th Street, South, Salt Lake City, Utah.

The above information was not included in the body of this report due to the discrepancy in the above addresses, but a teletype was sent to the Butte and Salt Lake City Offices on October 26, 1949, to have them attempt to determine if the signer of the above-mentioned open letter is a close relative to the delegate.

Records of the Registrar's Office, George Washington University, reflected a letter from the University of Utah advising that the delegate's address was 1337 Gilmer Drive, Salt Lake City, Utah. This information was not furnished the Salt Lake City Office inasmuch as that office was to check the University of Utah's record of the delegate, and this address would undoubtedly be in their records.

EDWARD K. JONES, 5211 Partridge Lane, N. W., advised that it was his impression that the delegate was related to KENNETH ROMNEY, who was former Sergeant-At-Arms of the House of Representatives, and who was found to be short in his accounts there about three or four years ago. JONES said he did not know the relationship between the delegate and KENNETH ROMNEY, and was not positive that they were related; inasmuch as JONES could furnish no further information in this regard, and since FREDERIC C. GAUNTLETT, J. WILLARD MARRIOTT, VINCENT P. AHEARN, JAMES T. CLARK, H. C. McCORD, and MARGARET NAOMI SHAW stated they knew of no relationship between the delegate and KENNETH ROMNEY, and stated that if they were related, it must have been a very distant relationship, this information was not included in the body of this report.

ADMINISTRATIVE SHEET

The files of the Washington Field Office reflect that VINCENT PAUL AHEARN, who is identical with the reference listed by the delegate, was the subject of applicant type investigations in 1948 and in 1949. (Bureau files 124-916 and 77-42253). The reference, in furnishing information in connection with his application for federal employment in 1948, listed his home address as 7324 Hampden Lane, Greenwich Forest, Bethesda, Maryland.

Confidential Informant T-1, of known reliability, advised that on December 13, 1941, a woman driving a maroon Plymouth Sedan, bearing 1941 Maryland license [redacted] visited the home of General G. ADOLPHO INFANTE, Military Attache for the Italian Embassy, for a few minutes. It was ascertained that this car was registered to VINCENT P. AHEARN, 7324 Hampden Lane, Bethesda, Maryland.

b6
b7C

Bureau letter dated August 4, 1948, Bureau file 124-916, advised that the Bureau files contained an index, made available by the Office of Censorship, of individuals and organizations appearing in cable, postal, and telephone messages sent or received by VINCENTE LOMBARDO TOLEDANO, President of the Confederation of Latin-American Workers, or in which the name of VINCENTE LOMBARDO TOLEDANO likewise appeared. The Bureau letter further advised that the name of one AHEAREAN, VINCENT P.-84-A, appeared on this list.

Investigation by the Washington Field Office failed to determine if the VINCENT P. AHEREAN is identical with the reference of the delegate. Due to this fact, and due to the fact that the other information concerning AHEARN was not considered pertinent to this investigation, it was not included in the body of the attached report.

Recent newspaper publicity has indicated that George Romney, Michigan industrialist, has been mentioned as a possible Republican Presidential candidate. Mr. Tolson inquired what our files show concerning Mr. Romney.

The Bureau conducted an investigation of Mr. Romney at the request of the Department of Labor in October, 1949. At that time Mr. Romney was proposed as an employer adviser to the Third Session of the Metal Trades meeting of the International Labor Organization, which was to be held in Geneva, Switzerland, in November, 1949. The investigation developed no derogatory information concerning Mr. Romney. He was recommended highly by many prominent individuals as a very capable businessman, a person of excellent morals, highest character, and unquestioned loyalty.

George Wilcken Summary

Mr. Romney was born in Chihuahua, Mexico, of American parents in 1907. He attended high school in Salt Lake City, Utah, served as a missionary in Scotland and England for the Church of Jesus Christ of Latter Day Saints (Mormon), thereafter attended the University of Utah, and in 1929 and 1930 attended George Washington University. He was Washington Representative of the Aluminum Company of America from 1930 to 1939 and for the next ten years was connected as Detroit Manager and Managing Director of the Automobile Manufacturers Association. He became Vice President of Nash-Kelvinator Corporation, which position he held until 1954 at which time he became associated with the American Motors Corporation. He is presently listed as president and Chairman of the Board of the latter corporation. He is also President of the Detroit Stake of the Mormon Church.

Bureau files contain no other pertinent information concerning Mr. Romney. (77-44583)

On 6/11/63, I had an opportunity to visit with Governor ROMNEY. He indicated that he has the highest respect for the Director and for the Bureau. He stated that he can assure the Bureau full cooperation of his office in any matter of mutual interest. He stated that, incidentally, he owes a great deal to a number of former Agents of this Bureau who worked for his election to his present office.

MICHIGAN'S FIRST FAMILY: THE ROMNEYS.

VICTOR RIESEL: INSIDE LABOR

Romney's Michigan Is Swell Again!

Few men have succeeded in politics as swiftly as George Romney, the first Republican in many years to win the governorship of the auto state. What is the basic philosophy of this new political personality—whom some talk of as a presidential possibility. Here is his answer:

By GEORGE ROMNEY

LANSGING, Mich., July 8.—Michigan has entered a new and exciting era which has dispelled the gloom that pervaded this capital city for more than a decade.

From a state hopelessly torn by partisan bickering, shackled with an archaic constitution, burdened by a disgraceful deficit, Michigan has been converted into a problem-solving state that is setting some examples for other parts of the country.

FOR MOST OF THE PERIOD before World War II, Michigan was dominated by a Republican Party which in turn was dominated by Big Business. But the late Thirties saw the birth of another powerful economic force, as thousands of auto workers organized into unions.

The political strength of this new economic force was not utilized until 1948, when the Democrats and the union leaders formed an alliance that ended the long Republican hold on the state administration.

Although Democrats won control of the administrative branch of government, Republicans remained in control of the Legislature.

The nadir of this stalemate occurred in 1959, when the condition of the state's treasury reached such a dismal point that thousands of state employees went without their paychecks.

This sensational development made headlines all over the country, and Michigan became the laughing stock of the nation. But it also spurred the activities of enlightened citizens of both parties, who realized that Michigan could not move into the future without replacing the 1908 constitution which kept the state government in a straitjacket.

The constitution which evolved from the deliberations of this dedicated group of men and women is one of the finest state constitutions in the land.

THE ADOPTION of a new constitution isn't the only favorable development in Michigan in recent months.

The legislative session which has just ended was one of the most productive in recent years. Michigan's financial picture has improved so much that the state will end the current fiscal year with a surplus of more than \$40 million.

While Michigan's political climate has improved, its economy has also benefited by a steady, undramatic improvement in labor-management relations.

An example of this occurred recently when Gibson Refrigerator and a UAW local in Greenville, Mich., reached agreement on a new contract that saved 1,600 jobs for the community. The agreement came in the face of a company threat to move the plant's operations to Mississippi.

Such evidence of enlightened self-interest on the part of both labor and management is only one aspect of the new spirit which has converted Michigan from a problem state into a problem-

The Washington Merry-Go-Round

The Bloom Is Off the Romney Boom

By Drew Pearson

DETROIT—The presidential aspirations of one glamorized GOP candidate are now in the process of going up in the smoke of the smoke-filled rooms of the Michigan legislature.

Gov. George Romney, likeable and sincere believer that business salesmanship can be applied to politics, is slowly but inexorably unselling himself as a presidential hopeful.

Pearson

Techniques he used in selling Rambler cars have not sold his own Republican legislators on a tax program. They've been in special session for almost three weeks but have been just as uncontrollable for a Republican Governor as for Democratic Governors during the past 14 years.

In desperation, Gov. Romney has now appealed to his Democratic predecessor, ex-Gov. John Swainson, for help.

Last week Sen. Stanley G. Thayer of Ann Arbor, Republican caucus chairman, paid a secret night call at the home of ex-Gov. Swainson.

Swainson asked if Romney knew of Thayer's visit, and Thayer replied that he did.

Thayer asked the Demo-

cratic leader's help in pushing the Romney tax proposals through the legislature—proposals which are essentially similar to those of previous Democratic Governors in that they replace part of Michigan's antiquated property and sales taxes with income taxes.

What changes did Swainson want in Romney's tax program in return for Democratic help in voting it out of committee, the Republican leader asked the Democratic leader.

Swainson asked only one thing—that all the tax bills be voted out—not just part of them. Romney has drafted 63 tax bills. In return, Swainson agreed to use his influence with Sen. Charles S. Blondy, a Detroit Democrat and a member of the Senate Tax Committee, to push the Romney tax program out of committee.

Meanwhile, GOP leader Thayer appealed to his GOP colleagues: "I demand that we stop this innocuous stalling, this interminable delay and this unconscionable obstructionism."

"The Michigan legislature," he said, "has not only failed to react effectively to the times, but—as of the present—we have failed to act responsibly."

Romney has until Nov. 15 to produce. On Nov. 15 the deer shooting season begins. It may

be open season for the Lansing lobbyists now, but after Nov. 15 the legislators will be enjoying the open season on deer in the woods of Michigan.

Merry-Go-Round

Democratic Gov. Swainson came within one vote of getting his tax bill passed, but Haskell Nichols, Republican legislator from Jackson and a close friend of the Clark Equipment Co., suddenly switched his vote. This was the closest Michigan has come to adopting an income tax in 14 years. Former Gov. G. Mennen Williams, Democrat, who served longest of any Michigan Governor, tried and failed repeatedly to get an income tax passed. Both he and Swainson had to buck Republican legislatures. Romney was elected on the plea that he would get cooperation from the Republican legislature. He's had even more opposition than the Democrats. . . . Mental health advocates are up in arms against Gov. Romney. Under Williams, Michigan set up a Mental Health Commission, improved mental treatments so that the average stay of inmates was reduced from 13 months to 6 months. One of Romney's first acts was to abolish the Mental Health Commission. Michigan mental institutions are now jam-packed once again.

Education leaders are up in arms against Romney for failing to provide money for schools and colleges. . . . Michigan universities must double their facilities in ten years to accommodate new students, but Romney has provided no money for advance planning. . . . A lot of Michigan voters wish that Romney was back in the Rambler business and sometimes he wishes so too.

Behind the Scenes

President Kennedy has made a political film praising Sen. Ralph Yarborough (D-Tex.). The President acted after Yarborough complained to the White House that Vice President Lyndon Johnson was knifing him in Texas. . . . "I have a hard core following of nearly 500,000 in Texas," Yarborough warned White House aides. "If the President wants to carry Texas in 1964, he had better call off Johnson." . . . Friends of Pennsylvania's Gov. William Scranton have passed the word that he's available as Sen. Barry Goldwater's running mate on the 1964 Republican ticket. This would unite the Party's conservative and liberal wings, would also give the ticket geographical balance. As a Congressman, Scranton served in Goldwater's Air Force Reserve squadron, still sometimes refers to him as "my commander."

My dear Governor Romney:

The Booth Newspaper Editors on April 15, 1965, at a small reception during the American Society of Newspaper Editors Convention, presented me a beautifully framed proclamation signed by you.

I believe the commendation as given in your proclamation is one of the finest I have ever received.

The encouragement afforded by such tributes is certainly of great assistance to us in our heavy responsibilities. I wanted you to know of my deep appreciation and that of all personnel of the FBI for your kindness in having this proclamation prepared and given to me.

Proclamation

Tribute to A Great American

Our Nation, despite its greatness of heritage and purpose, has entered a period of complex problems and attitudes which are of growing concern to its future well-being. We are troubled by disrespect for human rights. We abhor crime in the streets, dope addiction and juvenile delinquency. We are angered by threats from within and without to our national security. And yet, obsessed with their own self-sufficiency and comforts, more and more Americans are reluctant to involve themselves and meet head-on the deficiencies and needs of others.

One American especially has risen above this trend. He is a strong man, a citizen who deeply believes in the American Dream, a brilliant lawyer, administrator and leader of men. He is a strong advocate of the moral fiber that has served as the foundation of our nation. He believes in and works for and with our youth. He has been honored many times for his unswerving devotion to the betterment of brotherhood among all races, creeds and colors.

For forty-one years he has headed our only national law enforcement agency. Never has he lost the ability to care about others. Never has he become reluctant to be his brother's keeper, to involve himself and his men in meeting the problems and needs of our country and our people.

He is world renowned for his unending struggle against Communism, crime in the streets, dope addiction and juvenile delinquency. He has fought vigorously to protect our national security and the inalienable rights of our citizens. He has been a protector of liberty and respectful of individual rights and responsibilities.

It is a pleasure and honor for me to pay special tribute to

John Edgar Hoover

Director, Federal Bureau of Investigation

United States Department of Justice

and to express to him the gratitude of the people of the State of Michigan for his lifelong contribution to its strength and its well-being.

Romney Talks Here Win GOP Backers

By Drew Pearson and
Jack Anderson

Offers to support the former auto salesman, Gov. George Romney, for the GOP presidential nomination have poured in from top Republicans in 25 states.

Romney has now held secret strategy sessions in Washington with an advisory committee that includes two former GOP Chairmen—Leonard Hall and Sen. Hugh Scott of Pennsylvania. They were optimistic over Romney's chances.

They were confident that Romney would take all the big presidential swing states except possibly California and Ohio. They figured that New York would nullify California; and Michigan would cancel out Ohio.

This would still leave Romney with enough big delegations to win the nomination. They speculated that Senate Republican Leader Everett Dirksen, seeing the handwriting on the voting-booth wall, would join Sen.-elect Charles Percy in lining up the Illinois delegation for Romney.

Most of the other big states from Pennsylvania to Texas are believed to be safe. Even Barry Goldwater, who has made no secret of his dislike for Romney, may be compelled to go along with him. Goldwater wants to return to the Senate from a state that is predominantly Mormon, and would lose support for his own election in Arizona if he

opposed a Mormon for President.

Politics and Groceries

There is some indication that the housewives' boycott of supermarkets got a little political push from the Republicans just before the recent elections in order to remind voters of "Johnson's inflation."

The picketers in Seattle, Los Angeles and San Francisco, for instance, all had the same kits. In Colorado more recently, Matt Mateyka, a Denver Republican, has been enlisted as "political director" of the National Housewives for Lower Prices, organized by Ruth Kane of Aurora, Colo.

Generally speaking, however, housewives are motivated not by politics but by the difficult job of making the paycheck stretch to cover the family budget.

This column, checking into food facts, has come up with some conflicting contentions. The Federal Trade Commission, for instance, in its comprehensive study of prices, states: "Leading food chains in 1965 earned 12.1 per cent after taxes, which happened to be the same profit for leading food manufacturers.

"The earnings rate for leading food chains as a group has averaged 11.5 per cent during the 1960s, as compared with 13.1 per cent during the 1950s," the Federal Trade Commission also found.

This is in direct contrast to the statement made by food chain executives that their profits are around 1.3 per cent; seldom over 2 per cent.

To get an explanation of the striking difference in these figures, we tried to reach Clarence Adamy, head of the National Association of Food Chains. He was never available for comment.

Food Facts

However, here are some further facts which should be noted:

1. The U.S. factory worker today can buy more food for an hour's wage than he could in 1947-49. Wages have doubled in that period; yet food prices have increased only 33 per cent. This is due in part to bulk buying and the efficient operation of chain stores.

2. Housewives now demand foods and mixes prepared in advance. This is the envy of European housewives because it has emancipated American women as slaves of the kitchen. However, deboning chicken, cutting meat, preparing TV dinners, etc., adds to the food cost.

3. Certain basic food commodities necessarily have increased. The price of milk has been so low during the past ten years that thousands of dairy farmers went out of business.

Headlines and Footnotes

General Motors, rather than

run the risk of an Arab boycott, has notified Arab readers privately that it has no intention of setting up an automobile assembly plant in Israel. The Ford Motor Company, on the other hand, has defied Arab pressure and gone ahead with arrangements to build an assembly plant in Israel The New York Times has confirmed our recent story that the Vietcong are using American dollars and South Vietnamese piasters to purchase American supplies on the Saigon black market. The currency is smuggled by Chinese merchants in Saigon to Chinese banks in Hong Kong. The Russians buy up the piasters, then deliver them to the Vietcong.

Romney Vexes Women's Press Club

By Drew Pearson

Gov. George Romney, the devout, eager-beaver GOP candidate for President, has managed to thread his way triumphantly through the labyrinths of Michigan politics, but he's come a cropper on the relatively open road to a Women's National Press Club dinner.

With alacrity he accepted an invitation to attend the Club's annual dinner for Congress on Jan. 12. He is even willing to leave the Michigan legislature, which opens Jan. 10, fly to Washington, then fly right back to Lansing.

The trip gives him a chance to meet the new members of Congress and be seen in turn by the press and the politicians. However, Romney's handlers have been overenthusiastic. They have gummed up the show.

No. 1 handler is Mark Evans, a fellow Mormon, genial vice president of the Metromedia TV network, who, though obviously not a member of the Women's Press Club, is the official inviter of the GOP candidate. Romney has been leaning heavily on Evans for advice.

No. 2 handler is Florence Lowe, a Washington representative of Metromedia and of John Kluge, its president. Mrs. Lowe was conspicuous at a previous Women's Press Club dinner when she invited Sen. Tom Dodd as her guest. Dodd was then investigating the effect of television crime shows on juvenile delinquency and, following various dinners, luncheons and cocktail parties given Dodd by Mrs. Lowe, his zeal for probing Metromedia's televised crime seemed to go up in the benign smoke. Dodd even put Mrs. Lowe's son on the Senate Juvenile Committee payroll where he could influence even the committee power from the inside.

The planned Romney pilgrimage to Washington began running into female problems when Mrs. Lowe and Mark Evans decided to show off their GOP white hope at a "night cap" party to be given immediately after the Women's Club dinner.

The Romney party was to be in competition with another night cap party staged by Press Club president Eve Edstrom and her paper, The Washington Post. Obviously a Romney party at exactly the same hour and in the same hotel would siphon off the new Congressmen and political stars. So the ladies who were paying \$27 per couple were livid.

They were especially livid about their fellow-member Florence Lowe who was trying to get the list of VIPs invited by the club so she could invite them to her competing Romney party.

The furor was so great that the Romney handler switched. Mark Evans is an efficient, personable TV exec, but at handling the ladies he was a flop. The competing night cap party was changed to a cocktail party preceding the dinner.

However, this would also have been in competition with the usual cocktail party that the ladies of the press throw before their dinner, and since it was planned for a room next to the club's party, the ladies of the press were not overly pacified.

Finally the ladies' pressure became too great. Mark Evans surrendered. He called off even the cocktail party in advance of the dinner. Instead, Romney will be honored at a non-competing luncheon.

Social Competition

For probably the first time in Catholic-American history, representatives of the Soviet Embassy were welcomed just before Christmas at a Jesuit seminary. The meeting, held in the tradition of Pope John's ecumenical spirit, was at Woodstock College, Md., and was attended by such distinguished guests as Father

Avery Dulles, son of the late Secretary of State John Foster Dulles, and Father John Courtney Murray, appointed by Pope Paul to the new Papal Commission for Discussion with the Unbelievers.

They listened to Yuri Bobrakov, second secretary of the Soviet Embassy, describe the social, political, and religious life of present-day Russia. He explained, among other things, that religion does exist in Russia, though there is a distinct separation of church and state and religion is not encouraged. Any Russian, however, may belong to the church of his choosing, and there are both Protestant and Catholic churches, as well as the Russian Orthodox cathedrals.

During the question-and-answer period that followed Bobrakov's talk, he was asked about the extent of religious worship in Russia.

"Well, I wouldn't say it's quite flourishing," he replied. "However, at Christmas and Easter the churches are filled."

The Jesuit clergy asked only mild and polite questions. The meeting was arranged by Father Angelo D'Agostino, a surgeon, psychiatrist and newly ordained Jesuit priest, who believes that people-to-people friendship is good for mental health as well as international relations.

On 4/19/66, at 5:20 pm, [REDACTED] Attorney, Monsanto Chemical Company, Creve Coeur, telephoned this office and stated that an individual had been calling the guard office late at night, making all kinds of threats against the property of Monsanto and the guards employed by them. This individual threatened to machine gun the guards and threatened to come out and blow up Monsanto Chemical Co. He also told the guards that he was a communist, that he was in favor of the over-throw of the US Government by force and violence and was in favor of aiding Russia and furnishing scientific information to the Chinese. [REDACTED] stated that he did not know the identity of this individual who was making the phone calls but that he had been told that a certain individual, name unknown to [REDACTED] was suspected; that the supervisor of this person had listened in on a phone conversation over an extension and believed it to be identical with a former Monsanto employee.

[REDACTED] stated that these anonymous telephone calls had began in 2/66, and that the guards were getting "jumpy". [REDACTED] wished to know if there was any Federal statute under which the FBI could investigate the matter. He was informed that in the absence of any information that these telephone calls were interstate in character, the FBI could take no action. He was requested, however, to ascertain the name of the suspect so that this office would be aware of his identity and could advise the Secret Service in SL of his threats to do violence inasmuch as they wish to know the identities of all such persons as did the FBI.

On 4/20/66, [REDACTED] stated that the individual who was suspected was [REDACTED] who has been used occasionally as a temporary employee doing common labor work and whose services are furnished through Man Power, Inc.

At this time [] stated that he had conducted quite a research project through the law library at Monsanto and had ascertained that it was a violation of Section 2835, Title 18, to advocate overthrow of the US Government by force and violence. [] was informed that this particular section of the USC is identical with the old Smith Act which has been practically emasculated by US Supreme Court decisions; that [] was known to this office and that he had made similar statements to the FBI and that the USA had declined any prosecution against []

[] stated that he realized that this was probably a matter for local authorities in view of the threats to blow up Monsanto and machine gun the guards and that he would take the matter up with the Creve Coeur PD.

It should be noted that [] stated that he was formerly a SA of the FBI but resigned in 1961 and has been employed in the Contract Division, Legal Dept., Monsanto, since 1/66.

[] stated that should any charges be made against [] he would immediately notify this office.

On February 25, 1967, at 7:09 p.m., a telephone call was received at the Detroit Office of the Federal Bureau of Investigation (FBI) from a caller who refused to identify himself other than by his United States Marine Corps Serial Number [redacted]. This caller stated that he advocates the assassination of JOHN EDGAR HOOVER, Director of the FBI, Mr. GEORGE ROMNEY, Governor of Michigan, and Mr. RONALD REAGAN, Governor of California.

The caller described himself as an ex-Marine Corporal of World War II and stated that he would love to be tried on the basis of his war experience and record in World War II and said that the only thing that would be determined by the court would be that he was considered insane.

The caller also said that, "We ex-Marines are going to run this country or destroy it; that J. EDGAR HOOVER thinks he is God, but LBJ don't think it and will be glad to get rid of him," and "that I may go to Washington pretty soon and assassinate someone". He also said that no Federal Jury would ever convict him of anything but being insane.

The caller further stated that the FBI sent an agent to his mother's house without a search warrant and that all he wants is for someone else to go into her house without a search warrant because "I'm going to assassinate them". The caller said that his name was known by Agent [redacted] of the FBI office in St. Louis, Missouri. He also said that the FBI was 100% to blame for the assassination of President KENNEDY by OSWALD due to their utter stupidity and knowing what the Secret Service had already told the FBI. He concluded by stating in reference to the FBI, "You are the Gestapo of the United States of America. I denounce you and would assassinate your leader". During this call the caller refused to give his name and stated that he just traveled around. He claimed to have attended the University of Kentucky for three years after World War II from 1947 to 1950.

[redacted] at this meeting indicated SDS intended to gain admittance to THANT's speech through tickets already in their possession. He said that SDS - U of M was inviting groups from Detroit and Lansing, Mich., from Chicago, Ill., and elsewhere to capitalize on this visit. He advised that representatives of the Detroit Committee to End the War in Vietnam (DCWVN) would handle activities outside the auditorium in which U. THANT would speak, while "Voice" would handle activities inside the auditorium.

[redacted] while disclaiming any SDS backing of possible activities inside the auditorium, advised that individuals so inclined could display picket signs, ask questions and disrupt proceedings "even to the extent of assassinating" Michigan Governor GEORGE ROMNEY. No proposal of that nature was made, however, the point was made that SDS, U of M, would assume no official responsibility for possible actions taken.

[redacted] at above meeting made a statement to the effect, "If JOHNSON ever got assassinated, wouldn't mind it at all." STUDENTS FOR A DEMOCRATIC SOCIETY (SDS)

A source advised on February 22, 1964, that at a meeting of the Portland (Oregon) Communist Party Youth Club held on February 20, 1964, a report was given by [redacted] of the Reed College Communist Party Youth Club concerning a meeting of the National Party Youth Commission (Communist Party) previously held in New York City. [redacted] reported that one of the four main points taken up in the New York City meeting concerned the SDS and its problems. [redacted] indicated that SDS was weak nationally but some local chapters were strong. It was noted that the SDS has an incorrect political orientation, being too far left on some issues and not far enough on others, and that the SDS does not follow the Marxist theory for the most part. One speaker said that the Party could work through SDS to achieve the aims of the Communist Party.

As a result of this meeting of the National Party Youth Commission, it was decided to work through SDS where there are strong local SDS chapters.

YOUNG SOCIALIST ALLIANCE

The May 1960 issue of the "Young Socialist," (YS) page one, column three, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. The issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page six, set forth the founding declaration of YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 23, 1966, that the original YSA was an organization formed during October 1957 in New York City by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised on May 23, 1966, that the YSA is dominated and controlled on a national basis by the SWP through having SWP members comprise exclusively the National Executive Committee (NEC). The YSA, in reality, is the youth and training section for the SWP and the main source of new SWP members.

The headquarters of the YSA are located in Room 535, 41 Union Square West, New York City.

The SWP has been designated pursuant to Executive Order 10450.

W.E.B. DU BOIS CLUBS OF AMERICA (DCA)

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people".

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois, and a new slate of officers was elected to the National Executive Committee (NEC) of the DCA. Since Labor Day, 1965, identities of those serving on the NEC has varied; however, according to a third source as of May, 1966, thirteen of the fifteen members of the NEC were members of the CP in the San Francisco Bay area.

As of July, 1966, the headquarters of the DCA was located at 180 North Wacker Drive, Chicago, Illinois.

SUBJECT: REQUEST FROM WHITE HOUSE TO OBTAIN
TAPES OF RADIO BROADCASTS BY
GOVERNOR ROMNEY OF MICHIGAN
JULY 24, 1967

REQUEST FROM WHITE HOUSE FOR
INVESTIGATION OF ANTI-POVERTY WORKERS
INVOLVED IN RIOTS

On the night of 8/1/67 I received two telephone calls from the White House. The first was from [redacted] who is a [redacted] to the President. [redacted] stated that the White House was most anxious to obtain either a radio or television tape reflecting a broadcast or telecast by Governor Romney on July 24, 1967, between 5:00 and 7:00 a. m., in which Romney specifically stated, "I at one time decided to ask for Federal troops, however, since then have changed my mind." [redacted] stated that this statement proved that the President was correct in his claim that Governor Romney had vacillated back and forth as to whether Federal troops should be called into Detroit. [redacted] asked that the FBI secure these tapes as fast as possible.

I told [redacted] that it would be virtually impossible to obtain these tapes. I asked him if [redacted] the President's [redacted] had made an effort to obtain these tapes. He replied in the negative and stated that [redacted] had not been brought into this matter. He added that the White House did not desire for anyone outside to realize that they were attempting to obtain these tapes for the President. At this point I asked [redacted] if the President himself had ordered that the FBI obtain these tapes. [redacted] hedged on this point and stated he received these instructions from [redacted] and he did not know who [redacted] got his orders from.

I told [redacted] that not only would it probably be impossible to obtain the tapes but even if we were successful in obtaining them, the radio or television station in question would certainly realize that the White House had asked the FBI to handle this chore.

C. D. DeLoach to Mr. Tolson
Re Two Requests From The White House

Our conversation was concluded with the understanding that if the FBI could obtain the tapes we would get back in touch with [redacted] concerning this matter. Unfortunately, the Detroit Office has been unable to obtain the tapes in question.

The second request from the White House on 8/1/67 came from [redacted] to the President, who stated that the President had seen Associated Press ticker item #159 and Associated Press ticker item #161. These news flashes reflected that the Office of Economic Opportunity had made a decision to investigate its people so that a determination could be made as to whether these employees had been involved in starting the Newark riots.

[redacted] told me that the President had instructed that the FBI conduct a full investigation regarding anti-poverty workers' participation in riots so that this matter could be tied down once and for all. [redacted] added, "This gives you full authority to conduct this investigation."

I told [redacted] that the Director had sent over to the President's Commission on Civil Disorders all information available to the FBI concerning this matter. I stated we had no further information. [redacted] stated this might be true, however, he thought that full investigation was necessary. I told him this would be a duplication inasmuch as Sargent Shriver was conducting his own investigation. [redacted] stated that the President had faith in the FBI's efforts rather in those of the Office of Economic Opportunity. I told [redacted] that I, of course, would bring this matter to the Director's attention, however, reiterated that the FBI had no further information other than that which had already been furnished to the Presidential Commission mentioned above.

As of 8/2/67 a letter for the Director's signature was prepared and sent through to [redacted] incorporating all information gathered by the FBI in connection with this matter.

The Director was telephonically advised of the above calls on the morning of 8/2/67 and approved the action being taken.

Local radio and television stations were monitored last evening in connection with Governor Romney's meeting with the Director and a subsequent press conference in the courtyard of the Justice Building.

Film footage of Governor Romney's press conference in the courtyard was aired over all local television stations at one time or another during the evening. In addition, most radio stations mentioned his meeting with the Director and his subsequent press conference.

There was no editorializing by newscasters, and the programs dealt strictly with Romney's comments in the courtyard. Basically, the programs reported that Romney had met the Director and discussed various aspects of law enforcement and the crime problem facing our Nation today. There were no quotes of the Director.

The meeting was also featured prominently in the newspapers, clippings of which have previously been furnished to the Director's Office.

CORRESPONDENCE

SEP 26 1967

Governor George Romney. In courtyard of Justice Department Building, September 13, 1967. Washington, D. C. following private meeting with FBI Director J. Edgar Hoover.

Q. Governor, tell us about your visit here.

A. Well, I think the second stop on our urban tour here in Washington, D. C., has been very profitable. Certainly yesterday we got a real insight into some of the urban housing problems, and the look at Columbia this morning was very revealing. Now, one of the purposes of this trip was to get insights into problems of law enforcement, and I don't know of any better place to come than the place I've just been. The Director was very generous in discussing various aspects of law enforcement in the country -- and, as you all know, we're confronted with a rapidly rising crime rate, and to the extent that crime and other factors weaken us within, why it aids the communist cause. And as I indicated when we started this tour, one of the purposes is to identify those things that will strengthen us so that we can be strengthened against subversiveism and also against racial and other difficulties.

Q. Did Mr. Hoover strengthen your view that there is a subversive wave within our cities?

A. Well, I don't know that he strengthened my view. I had the opportunity to get his assessment of the situation and also his assessment of the crime problem and the factors relating to crime. And we spent a good deal of time discussing the fundamental things that need to be done to reduce crime and to reduce internal weakness that aids communism.

Q. Such as?

A. Well, such as strengthening the home. That's the principal thing that is needed, to strengthen home life in America.

Q. Governor, is crime going to be a major issue in the campaign next year?

A. Well, I don't know. I'm not here for the purpose of discussing issues that may figure in the political campaign because this trip, as I have indicated, is for the purpose of identifying problems and taking a look at solutions.

Q. What did Mr. Hoover say about possible conspiracy in the riots, Governor?

A. I'm not going to quote anything that Mr. Hoover had to say. But he has voiced, as you know, concern about the rising crime rate, and we discussed that at some length -- as well as the factors that he feels are related to that and factors that I feel are related to that.

Q. Did you discuss conspiratorial causes?

A. No, not in any significant way.

Q. Did the subject of Black Power come up, Governor?

A. Oh, only indirectly.

Q. Governor, the slogan of law and order seems to mean to many white Americans keeping negroes from losing their place. How do you feel about that?

A. Well, law and order is the only way that anyone can achieve his place. Unless we can have law and order, there is no hope for white or black or any other race -- because I think that one thing we have proven in America is that we can make more progress under a government of law than we can under a government of men.

Q. In the political shorthand of the day, isn't an appeal of law and order sometimes an appeal to white backlash?

A. Oh, it is misunderstood -- I don't deny that there are those who misunderstand it. But when you have a riot like we had in Detroit, the Negroes and whites alike recognize that the only real way to protect life and

FBI

property and to make social and human progress is through law and order.

As a matter of fact, I think one of the most significant things that happened during the Detroit riot was that Negroes generally recognized clearly that you have to deal with the criminal element among Negroes in the same way you deal with the criminal element among any other groups --and that it's not race discrimination when you deal with Negro criminals.

Q. Governor, would you sum up the fundamental things that must be done to achieve law and order? You mentioned the home. What else?

A. Oh, we have to strengthen the home; we have got to increase respect for law and order; we have got to strengthen our law enforcement personnel and agencies. We need to give our law enforcement personnel better training. We need to give them better backing. We need to give them better compensation. We need to change the permissive attitude that is so prevalent in our American life today. There are many things we need to do.

Q. Governor, was there any discussion of court decisions and their effect on ... (inaudible) ...

A. No.

Q. Did Rap Brown's name come up?

A. Oh, we had a wide-ranging discussion. After all, we were in there for almost 2 hours...an hour and 45 minutes. We had a wide-ranging discussion.

Q. Do you know if Mr. Hoover cleared this visit with Lyndon Johnson?

A. No.

Q. No you don't know?

A. No, I don't know.

Q. Did he have to?

A. You'll have to ask LBJ.

On September 13, 1967, I saw Governor and Mrs. George Romney of Michigan. The Governor had asked for an appointment to see me and we discussed generally the situation in the field of the riots occurring in the country, particularly in Detroit. The Governor is making a tour of the country and hopes to visit cities in which riots have occurred so as to get the advice of the local authorities as to handling them and as to steps that might be taken to avoid or at least to minimize such outbreaks in the future.

I assured Governor Romney that he would certainly have the full cooperation of the Bureau in any mutual matters in the State of Michigan where we could be of assistance.

Very truly yours,

M. A. Jones to Bishop Memo
RE: GOVERNOR GEORGE W. ROMNEY

No arrest record identifiable with Romney could be located in the files of the Identification Division.

Romney, a Republican Presidential possibility, has charged that the President "played politics" by delaying deployment of Federal troops in Detroit during the July, 1967, rioting in that city, and that the Attorney General also played politics by insisting upon Romney's certification that an uncontrollable insurrection existed before sending Federal help. Recently, Romney alleged that he had been "brainwashed" by American diplomatic and military leaders during a 1965 visit to Vietnam.

Romney has indicated that increase in crime will be 1968 campaign issue. In Oregon last week, he reportedly attacked Johnson Administration's "credibility" and "truth" in connection with the increase in crime--and Associated Press article reported that Romney "said FBI reports conflict with former Attorney General Katzenbach's statement in May that there is no crime wave in the country." (This is apparent reference to statement of Attorney General Ramsey Clark, who was quoted in May 19, 1967, issue of "The New York Times" as saying, "The level of crime has risen a little bit, but there is no wave of crime in this country" and that "We do ourselves a great disservice with statistics.")

During first six months of 1967 (as reflected in a press release dated Friday, September 15), there was a 17 percent increase in serious crime. In 1966, a record total of 3,243,400 serious crimes were committed--11.4 percent more than in 1965. From 1960 through 1966, crime increased nearly seven times as fast as our population.

Organized crime exerts control over major vice operations across the Nation and also has influence and holdings in the business world --some being operated legitimately and others being used as "fronts" for illegal activities or to accomplish various frauds. La Cosa Nostra is most powerful organized crime group and is ruled by "The Commission" whose membership includes Joe Zerilli of Detroit. In Detroit and St. Louis, there are Syrian racket groups which operate apart from La Cosa Nostra but are ultimately answerable to the Italian leadership.

On 9-11-67, [redacted] Romney for President Committee, telephoned to advise that Governor George Romney of Michigan would be in Washington on Tuesday and Wednesday (September 12th and 13th) and wished to see the Director briefly between 11:15 a.m. and 12:30 p.m. on Wednesday to discuss the Nation's crime problem. The Director subsequently agreed to meet Governor Romney at 11:15 a.m. on Wednesday, September 13.

INFORMATION IN BUFILES:

In view of the numerous references to Governor Romney, the following information was taken from his main file and pertinent "see" references.

Governor Romney, born 7-8-07, Chihuahua, Mexico, attended the University of Utah (1929) and The George Washington University (1929-30). He was a missionary for the Church of Jesus Christ of Latter-Day Saints in Scotland and England (1927-28) and from 1929-30 he was a tariff specialist for U. S. Senator David I. Walsh.

The Bureau conducted an investigation of Mr. Romney at the request of the Department of Labor in 1949 in connection with his proposed employment as an advisor to the Third Session of the Metal Trades meeting of the International Labor Organization to be held in 1949. Nothing of a derogatory nature was developed during this investigation nor in connection with name check requests in 1959 and 1960 for the Office of Naval Intelligence.

On repeated occasions (1963 and 1964), Governor Romney personally indicated to SAC, Detroit, his high regard for the Director and the Bureau. At the time of the first meeting, Governor Romney stated that he owes a great deal to a number of former Agents of the Bureau who worked for his election. (By letter dated 4-16-65, the Director thanked Governor Romney for a framed proclamation signed by the Governor and presented to the Director by the Booth Newspaper Editors during the April, 1965, convention of the American Society of Newspaper Editors.) By letter dated 11-9-66, which was acknowledged by letter dated 11-18-66, the Director congratulated Governor Romney on his re-election.

A confidential source on 8-16-67, advised that an individual affiliated with Romney for President Committee lunched with the First Secretary of the Soviet Embassy, Washington, D. C. A confidential source on 8-23-67, advised that [] aide to Governor Romney, was in contact with [] First Secretary of the Soviet Embassy, Washington, D. C., regarding a conversation between [] and an individual affiliated with the Romney for President Committee. The topic of this conversation, reportedly, was a proposed trip by Governor Romney to Europe and the Soviet Union. [] requested more information from [] regarding Romney's plans in this matter. [] described the trip, tentatively set for September 19-25, 1967, as more or less definite and would include visits to the Soviet Union, Poland, Romania, and Yugoslavia. The primary reason for the visit to the Soviet Union was said to be to afford Romney an opportunity to meet and talk with Soviet leaders. It was also learned on 8-22-67, that in connection with his visit to Poland, Governor Romney wished to "exchange views" with Polish officials.

It was subsequently learned that [] later contacted [] and advised that Governor Romney intended to delay this trip until later in the Fall since he first wished to visit trouble spots in American cities. It was [] understanding that Romney expected to postpone the original trip until late November. The White House has been kept advised of these contacts with the Soviet Embassy.

[] EOD []
as a clerical employee in the Crime Records Division and resigned [] to serve in a missionary capacity with the Mormon Church. His service was satisfactory. The Director wrote Governor Romney in April, 1966, to advise of [] appointment.

No arrest record identifiable with Governor Romney could be located in the files of the Identification Division.

DIFFERENCES WITH ADMINISTRATION:

Governor Romney, a Republican Presidential possibility, has been at odds with the Administration. Notable among his sharp differences was his charge that the President "played politics" in delaying the deployment of Federal paratroopers into Detroit during the July, 1967, rioting in that city. In this regard, Romney also accused Attorney General Clark of making "more a political request than a legal one" in insisting that the Governor certify that an uncontrollable insurrection existed before Federal help would be sent. It was Romney's contention that the Attorney General had initially informed him that an oral request for troops would be sufficient.

M. A. Jones to Bishop Memo
RE: GOVERNOR GEORGE W. ROMNEY

More recently, Governor Romney clashed with the Administration on 9-4-67, when during an interview, he alleged that he had been "brainwashed" by American diplomatic and military leaders during a 1965 visit to Vietnam. Later, defining this charge, he reportedly alluded to the Administration's "credibility gap" and its "manipulation of the news."

CRIME--A CAMPAIGN ISSUE:

Governor Romney has indicated that the increase in crime will be an issue in the 1968 election campaign. In a speech in Oregon on Thursday, September 7th, Romney reportedly attacked the Johnson Administration's "credibility" and "truth" in connection with Vietnam, the recent riots, the President's request for a 10 percent surtax, and the increase in crime. An Associated Press article concerning his Oregon speech states that Romney "said FBI reports conflict with former Attorney General Katzenbach's statement in May that there is no crime wave in the country." (Actually, this is an apparent reference to the statement of Attorney General Ramsey Clark which appeared in "The New York Times" on May 19, 1967, wherein Clark was quoted as saying, "The level of crime has risen a little bit, but there is no wave of crime in the country" and that "We do ourselves a great disservice with statistics.")

The Associated Press article pertaining to Romney's Oregon speech last week quoted him as correctly stating that FBI Uniform Crime Reports data show a 20 percent increase in serious crime in the first three months of 1967, compared with 1966, and a 62 percent increase from 1960 through 1966.

Statistics for the first six months of 1967 (which will be released Friday, September 15) show a 17 percent increase in crime compared with the first half of 1966. There was an over-all increase of 18 percent in violent crimes, including robbery (up 30 percent), murder (up 20 percent), aggravated assault (up 11 percent) and forcible rape (up 7 percent). With respect to property crimes during the first six months of 1967, there was a 17 percent increase--with auto theft rising 19 percent; burglary, 18 percent; and larceny of \$50 and over, 16 percent.

In 1966, an estimated 3,243,400 serious offenses were committed across the United States, the highest total in the history of recorded crime statistics. This figure represents an 11.4 percent increase over 1965. From 1960 through 1966, the increase in crime (62 percent) was nearly seven times greater than the increase in our population (9 percent).

M. A. Jones to Bishop Memo
RE: GOVERNOR GEORGE W. ROMNEY

From 1960 through 1966, police arrests of persons under 18 years of age for serious crimes rose 54 percent--nearly three times the population growth in the 10-17 age group. Furthermore, in 1966, 75 percent of police arrests for serious crimes involved persons under 25 years of age.

Negroes (comprising 12 percent of our national population) constitute another population group which contributes disproportionately to America's crime problem. In 1966, Negroes were involved in 33 percent of the arrests for serious crimes. From 1960 through 1966, arrests of Negroes in American cities for serious crimes increased 49 percent.

An analysis of the records of nearly 42,000 persons who were arrested in 1966 disclosed that three out of four had a previous arrest record. The average criminal career of these repeaters was more than 10 years--and during the period of their criminal career, this group averaged six arrests, three convictions and two imprisonments each.

A study of 17,837 offenders who were released to the streets in 1963 revealed that 55 percent of them were rearrested for new offenses before July 1, 1966--and that the tendency toward recidivism is greater among those engaged in the more serious types of crimes. The study also disclosed that 47 percent of those who received a suspended sentence and/or probation were rearrested; that 30 percent of those who received a fine and probation were rearrested; that 57 percent of those released on parole were rearrested; that 67 percent of those released early after earning "good time" were rearrested; and that 83 percent of those acquitted or dismissed in 1963 were rearrested before July 1, 1966.

ORGANIZED CRIME

Illegal endeavors of the organized underworld include, among others, gambling, narcotics, traffic, various forms of extortion, loan sharking, labor racketeering and the production and sale of illicit alcohol--as well as corruption of public officials. In addition to the control which it exerts over major vice operations in the United States, organized crime also has tremendous influence in the field of labor and business. Its interests in the business world range from

bars and cafes to large hotels and major real estate holdings. Some of the legitimate holdings are operated openly or by "fronts" in the business world; others are used as "fronts" for illegal activities; and still others are used as tools to accomplish various frauds involving arson for insurance, bankruptcy and stock swindles. It is impossible to assess the wealth of the organized underworld or its impact on the business world; however, it has been estimated that the annual revenue from gambling alone is in the multibillion dollar range.

The most powerful and best organized de facto criminal group in America is La Cosa Nostra--which is ruled by a body known as "The Commission" whose membership includes Joe Zerilli of Detroit. Investigation has revealed the existence of 24 separate La Cosa Nostra "families" in the country.

Perhaps second to La Cosa Nostra in underworld strength and influence is the so-called Jewish mob--with Meyer Lansky generally being recognized as the most powerful Jewish racketeer. Lansky and many other important Jewish racketeers who look to him for leadership comprise the most skilled practitioners of professional gambling in the United States. In Detroit and St. Louis, there are significant Syrian racket groups which operate apart from La Cosa Nostra but are ultimately answerable to the Italian leadership.

Following Governor and Mrs. Romney's meeting with the Director early this afternoon the Governor agreed to a press conference which was conducted before all National Network television cameras in the Justice courtyard. Governor Romney was laudatory of the Director and in direct response to a question asked by one of the newsmen explained that one of the reasons for his current extensive travels was to see and discuss the various problems confronting law enforcement. He added that he knew of no better place to come for advice on this important topic than to see J. Edgar Hoover, the Director of the FBI.

In response to press inquiries Governor Romney refused to quote the Director on the various matters discussed by them during their meeting. He said generally the conversation had to do with various aspects of the law enforcement problem and that he and the Director agreed that various measures had to be taken to alleviate this great problem. Among these he cited parental responsibility, better pay, training and opportunities for law enforcement officers and a neutralizing of the spirit of permissiveness which pervades American society today.

One of the reporters asked the Governor if he knew whether or not Mr. Hoover had cleared Romney's visit with the President or if such clearances were necessary. Governor Romney promptly replied that of course he did not know if the Director had done so and suggested that the press might want to check directly with "L.B.J." The press seemed to push for an answer to this question but Governor Romney held to this comment. The press also asked if the question of "Black Power" came up during the conversation or if the Director had mentioned Rap Brown. In response to this specific query the Governor's only comment was that he and Director Hoover discussed a wide range of various aspects pertaining to law enforcement.

RE: Governor George Romney

Briefly the above constituted the high lights of the Governor's press conference which undoubtedly will be televised over the national networks this evening. We will be certain that news programs this evening are appropriately monitored. As a matter of information, as Governor Romney and his wife were descending to the first floor with SA [] the Governor expressed deep appreciation for the Director's courtesy in receiving him, mentioned that Mr. Hoover looked in extremely fine condition and Mrs. Romney pointed out very proudly that the Director had promised to send them an autographed copy of the photograph which was taken in his Office during the meeting. She seemed to be especially proud of this fact and mentioned it on a couple occasions to [] who is Governor Romney's public relations man. [] it should also be noted, was most appreciative of the assistance and understanding given the Governor and the members of his party and his press entourage at FBI Headquarters.

SUBJECT: GOVERNOR GEORGE ROMNEY
MEETING WITH THE DIRECTOR
11:15 A.M., SEPTEMBER 13, 1967

[redacted] of the Romney for President Committee was recontacted and advised that the Director could see Governor Romney at 11:15 a.m., Wednesday, September 13th. [redacted] was extremely pleased that Mr. Hoover would be able to see the Governor. He said the Governor would be alone except for his two security guards who would, of course, await the Governor in the reception room. With respect to the press, [redacted] said that earlier on Wednesday morning the Governor would be traveling in a bus with some assistants and probably 12 or 15 press representatives. However, he would leave the bus and come to the Department of Justice Building by limousine. [redacted] said the press would undoubtedly ask where the Governor was going, and they would feel it necessary to explain the Governor was going to see Mr. Hoover in a private meeting.

Some or all of the press might decide to come to the Justice Building and wait for the Governor. If members of the press do show up Wednesday morning, we will plan to have a Crime Records Agent at the Ninth and Pennsylvania entrance and we will show them to Room 1732 (Tour Unit waiting room). SA [redacted] of the Tour Room will bring Mr. Romney up to the Director's reception room.

The Crime Research Section is preparing a memorandum regarding our relationship with the Governor. This memorandum will also contain brief highlights of the crime situation for the Director's assistance.

NOTE:

This matter involves threats made by subject that he would kill a dozen or so people if his drug store was razed by the City of Kalamazoo, Michigan. Governor Romney was one of the dozen or so people mentioned by subject. Subject further stated in his capacity as a druggist "he is on the in" and he would poison the Kalamazoo water system with bacteria and he would kill off one-half of the United States. Incoming does not indicate that office of Governor Romney is aware of the threats. Therefore, above instructions are felt appropriate.

much

On October 9, 1967 a confidential source, who has been contacted an insufficient number of times to determine his reliability but who is in a position to furnish information attributed to him, advised as follows: *Pres.*

The source had occasion to contact the Rexall Drugs, 428 South Burdick Street, Kalamazoo, Michigan, on October 6, 1967 and to talk with the person who identified himself as the owner of the drug store. In his conversation the druggist stated he was 39 years of age. The source described the druggist as follows:

Race	White
Sex	Male
Age	39
Height	5'8"
Weight	180 - 190 pounds
Hair	Dark brown or black
Eyes	Brown
Build	Short and stocky
Characteristic	Large stomach
Nationality	Appeared to possibly be Syrian

The druggist was very agitated relative to an urban renewal program presently under consideration in the City of Kalamazoo which, if put into effect, would force the Rexall drug store to move and require the razing of the building housing the drug store. The druggist said he would be forced to sell his property at a price of \$3.25 per square foot and he could not possibly erect a comparable building for the money received on the sale of the present building.

The druggist said that he believes the urban renewal program is illegal and he is not going "to sell out". He said he will take it to the Supreme Court and if he loses he is going to kill a dozen or so people with a gun. He specifically mentioned Governor George Romney, Irving Gilmore, and a doctor connected with a Kalamazoo hospital. The druggist said he is a Korean veteran and he is "a pretty good shot". He mentioned that Governor Romney made a speech in Texas but he "talks differently in Michigan" and apparently favors urban renewal.

ENCLOSURE

Investigation is being conducted in this matter.

Re: [redacted]
Information Concerning

The druggist said that a "bunch of millionaires" want to buy his land cheaply and build a parking ramp and he "is not going to let them ruin him and take his business from him". He said that Irving Gilmore is the number one person behind the urban renewal plan. He also said that the Gilmores and the Upjohns are intermarried and "behind it all". He said that Jim Gilmore would have nothing to do with the urban renewal plan.

The druggist said that he is going to kill all the people in Kalamazoo by poisoning the water with bacteria and it would be blamed on the current racial unrest. He said he is a pharmacist and "he is on the in" and could do it. He said "they" would catch him but before "they catch him" he would kill off one-half of the United States. He also said he "hates Washington".

The source stated that he wished to report the statements made by the druggist because of concern over the possibility that the druggist, being a pharmacist and "on the in", might be able to carry out his threat to poison the water of Kalamazoo and apparently was incensed to a point that he might possibly attempt to carry out his threat. The source requested that his identity not be disclosed because he is fearful of possible reprisals if the druggist should learn that the source had furnished the above information.

The current Kalamazoo City Directory contains the following listing:

SACs NOTE CONT.

While the communications sent to Senator Morse by [] contain no threats in violation of the Federal Extortion Statute, he is extremely critical of Governor Romney and Senator Morse and since his letters indicate he may be a mentally deranged person, Detroit and WFO advise appropriate local authorities and Detroit advise the Office of Governor Romney.

Copies of this communication are being sent to Butte & Las Vegas for information.

NOTE:

By letter dated 9/27/68, Senator Morse (Dem. - Oregon) furnished a letter mailed to him from one [] of [] Nevada. [] communications consists of a carbon copy of a letter to Social Security Headquarters in Baltimore, Maryland, and the original of the letter to Senator Morse. Both letters are rambling in nature and revolve generally around the fact that [] is receiving 20% less in Social Security benefits than he feels he should. He is critical of politicians in general and alleges that Governor George Romney of Michigan is pocketing part of Social Security proceeds that are not being received by deserving persons. The letters contain no threats and no Federal violation exists. The original communications will be made available to the Laboratory for future use. Our files contain no identifiable information concerning []. We have had cordial relations with Senator Morse. [] communication has been furnished to U. S. Secret Service separately.

S.S. HEAD OFFICE BALTIMORE MARYLAND
AND WAYNE MORSE TO SHARE WITH SENATES ETHICS COMMITTEE

AFTER SPENDING 2 MONTHS IN NORTHERN ALBERTA FOR THE HAY FEVER SEASON I FOUND THAT I GOT MY JUNE S.S. CHECK AUGUST 19 AND OF COURSE I OPENED IT TO SEE IF TO YOU HAD DONE AS YOU SAID IN YOUR LETTER ME THAT YOU WERE GOING TO DO (PLACE ME ON AGE 65 ROLDS INSTEAD OF DISABILITY PENSION WITH THE PROPER CHANGES IN MY S.S. RECORDS "ADD THAT MISSING 30% THAT YOU BEEN GIBING ROMNEY) BUT NO THE CHECK AS IN THE PAST GIVES THE DIRECT LIE TO YOUR STATEMENTS THE SAME AS IT GIVES THE DIRECT LI TO THE KLAMATH FALLS OFFICES STATEMENT ABOUT 4 YEARS AGO THAT BECAUSE OF THE LEGALLY IMPROPER MANNER THAT I GOT ON S.S. THAT YESS I WAS ON DISABILITY PENSION BUT WOULD HAVE TO TAKE AGE 62 AMOUNTS TILL THE LAW WAS AMENDED TO ALLOW ONE TO GET ON LIKE I DID OR TILL I REACHED AGE 65 WHEN I WOULD GET AGE 65 AMOUNTS !

SO NOW YOU AGAIN HAVE BEEN PROOVEN A LIAR JUST LIKE EVERY OTHER S.S. OFFICE THE COUNTRY OVER AND YOU STILL SAY IN YOUR CORRESPONDANCE "(IF YOU HAVE ANY QUESTION ABOUT YOUR S.S. ASK YOUR S.S. OFFICE)" SO YOU WILL HAVE THE EXCUSE TO LIE SOME MORE ? AS YOUR LIES DONT ANSWER MY QUESTIONS THATS THE ONLY POINT IN ME ASKING YOU QUESTIONS ABOUT MY S.S. (JUST TO GIVE YOU THE EXCUSE TO LIE AGAIN HAVEING LIVED A LONG AND FULL LIFE AND THOE AN 8th GRADE SCHOOL DROP OUT STILL I HAVE LEARNED QUITE A BIT (THOE I WOULD HAVE LEARNED MUCH MORE IF I HADNT BEEN DEAD SINCE 1910 BUT SOME PEOPLE TALK TO ME AND I LEARN FROM THEM (LIKE THE KLAMATH FALLS S.S. OFFICE OR JAMES CALDWELL OF ST. JOE MICH. WHO IS THE STATE ADULT PROBATION OFFICER THERE FOR CASS AND BERRIAN COUNTY MICH, WHO TOLD ME "YESS MICHIGAN HAS A GOVERNMENT OF LAW BUT THEY ALSO HAVE POLATICS AND WHEN THERE IS A CONFLICT BETWEEN THE TWO THE LAW ALWAYS LOOSES"! (????)

SO YOU GOVERNMENT PEOPLE FEEL LIKE YOU CAN LIE CHEAT STEAL AND ENTIRELY DISCARD YOUR LEGAL ETHICS AND GET AWAY WITH IT BECAUSE ITS ONLY THE LAW YOUR BREAKING RIGHT ? AND WHY SHOULD THAT BE RIGHT ? FOR YOU GOVERNMENT PEOPLE TO CRIMINALLY ABUSE AND MISSUSE THE POWERS OF GOVERNMENT IN YOUR GOVERNMENT JOBS? WHY IS IT RI YOU IMEIST THAT I ABIDE BY THE LAW BUT YOU YOURSELF DONT GIVE A DAMN FOR THE LAW AND NEITHER DO YOU PRACTICE ABIDING BY THE LAW ! WHY ?

79-44583
ENCLOSURE

JAMES EARL RAY CLAIMED IN ENGLAND THAT THE KILLING OF DR. KING WAS A POLITICAL CRIME AND SO HE COULD NOT BE HELD FOR IT !

AND ALL HE WAS DOING WAS CLAIMING HIS CONSTITUTIONAL GUARANTEED RIGHT TO "EQUALITY UNDER THE LAW"

SO YOU SEE THAT YOUR GOVERNMENT PEOPLE'S TWO FACED ATTITUDE TOWARDS THE LAW IS BEING TAKEN UP AND USED BY ALL KINDS OF PEOPLE, LIKE THE RIOTERS CLAIM THEY HAVE THE RIGHT TO RIOT AND DESTROY BECAUSE THE RIOTS ARE POLITICAL RIOTS WHICH THEY ARE ADMITTED TO BE BUT ARE THEY FREE TO RIOT BECAUSE ITS A POLITICAL RIOT ? WHY AREN'T THEY FREE TO RIOT ALL THEY PLEASE AS LONG AS THE RIOTS ARE POLITICAL RIOTS ? WELL WHY ARE THE POLICE ARRESTING THE RIOTERS ? WELL ? WELL WHY ARE THE POLICE DENYING OUR CONSTITUTIONAL GUARANTEED RIGHT TO DO AS WE DAMN PLEASE AS LONG AS ITS POLITICAL ?

ALRIGHT ENOUGH OF THAT KIND OF FARCE CAUSE I THINK YOU CAN GET THE POINT.

NOW TO PROOVE THAT GEORGE ROMNEY IS ENGAGED IN CRIMINAL RACKETEERING IN GOVERNMENT IN MICHIGAN WHICH BROUGHT HIM IN A INCOME OF OVER \$4,400,000.00 LAST YEAR AND THAT I HAVE EVERY RIGHT TO BELIEVE THAT 20% OF MY S.S. DISABILITY PENSION GOES INTO THAT SWOLLEN CRIMINAL INCOME.

FIRST LETS PROOVE THAT ROMNEY IS A CRIMINAL AND KNOWS IT!

HERE IS 3 ITEMS OF PUBLIC (NEWSPAPER PUBLISHED) KNOWLEDGE:

FIRST ITEM "ROMNEY'S FULL PERSONAL FORTUNE WHEN HE BECAME GOVERNOR WAS \$800,000 WORTH OF AMERICAN MOTORS STOCK WHICH BECAUSE OF HIS PERSONAL INTEGRITY AND ETHICS HE PUT IN A BANK AND BECAME A COUPON CLIPPER ONLY.

SECOND ITEM. AMERICAN MOTORS CO. LOST MONEY LAST YEAR .

THIRD ITEM , ROMNEY LAST YEAR PAID FEDERAL INCOME TAXES ON AN INCOME OF \$4,435,000.00 AND CHURCH DUES ON AN INCOME OF \$4,435,000.00.

NOW I ASSEMBLED THOSE THREE ITEMS IN THAT ORDER AND SENT IT TO A FEDERAL ATTORNEY AND SIX (6) DAYS LATER I WON NEXT FALLS ELECTION LAST WINTER. (BY ROMNEY'S OWN

ACTION IN DROPPING OUT OF THE PRESIDENTIAL RACE ON A VERY SUDDEN WHIM.

SO HES A CRIMINAL AND WE BOTH KNOW IT ! O.K. ?

IN 1963 CHARLES FINCH THE NILES LOCAL FRATERNAL ORDER OF POLICE PRESIDENT TRIED TO BLACKMAIL ME BECAUSE I HAD A GOOD JOB AND \$1,000.00 IN THE CREDIT

3. UNION AND ACCORDING TO ~~IDEAS~~ I SHOULD BE A SOFT TOUCH FOR A CRIMINAL
ACT OF ^{Blackmail!} HIS BEING AS HOW HE KNEW WHEN HE WAS A NILES CITY POLICE MAN AND NOW
WHEN HE WAS WORKING ON THE SEC. OF STATES OFFICE FORCE OUT OF LANSING HE JUST
COULDN'T FAIL TO GET ANY AMOUNT OF MONEY OUT OF ME THAT HE ASK ME FOR .

BUT THAT WAS HIS IDEA NOT MINE AND SO HE VOIDED MY DRIVERS LICENCE AND THE DRIV.
LICENSE APPEAL BOARD BACKED HIM UP AND THE APPEAL BOARD BY STATUE (LAW) WAS
COMPOSED OF THE SEC. OF STATES MAN , THE STATE ATTORNEY GEN. THE LOCAL SHERIFF
AND PROSECUTOR.

HIMSELF
NOT BEING DUMB ENOUGH TO ASK THE SHERIFF TO ARREST FOR BLACKMAIL OR TO ASK THE
PROSECUTOR TO PROSECUTE HIMSELF INTO PRISON FOR A FELONY WHICH HE THE PROSECUTOR
HAD COMMITTED I DONE ^{blue} NEITHER BUT ASK JUDGE SWEET OF KALAMAZOO COUNTY, TO CITE
THE WHOLE ^{blue} STUE OF THEM FOR CONTEMPT OF HIS COURT BECAUSE WHAT THEY WERE DOING
WAS DESTROYING A COURT ORDER AND JUDICIAL FINDING OF HIS, BUT THE JUDGE SAID
(IN EFFECT) OH NO YOU DON'T GET ME TO HELP YOU AGAIN.

SO I ASK ROMNEY TO REMEMBER HIS OATH OF OFFICE WHICH REQUIRES HIM TO RUN A
REASONABLY CLEAN GOVERNMENT AND I GOT THE MERRY HAW HAW HAW AND WAS TOLD TO
ASK MY SHERIFF AND PROSECUTOR TO ARREST AND TRY THE BLACKMAILERS: ^{themselves!!}
SO I SENT A PHOTOSTAT OF EACH OF MY GOVERNMENT PAPERS TO THE STATE POLICE
HEADQUARTERS TO STATE POLICE COMMISSIONER (JOE CHILDS) AND ASK HIM TO RETURN THE
PHOTOSTATS WITH HIS COMMENTS WHICH HE DID AND WHAT WERE HIS COMMENTS ? "YESS
YOU HAVE EVERY RIGHT TO CONSIDER IT BLACKMAIL BECAUSE IT IS BLACKMAIL AND NOW
GET THAT IDEA THROUGH YOUR THICK HEAD AND PAY UP AND SHUT UP ! "

NOW DO YOU NEED ANY MORE PROOF THAT ROMNEY IS A CRIMINAL ?

NOW TO SHOW HOW THE ABOVE CRIMES IS TIED DIRECTLY TO MY S.S. SHORTAGES.

I PUT IN FOR S.S. DISSABILITY BECAUSE WHEN THE STATE CLAIMS THAT ONE IS TO
DAMN CRAZY TO BE ALLOWED TO GO TO THE STORE IN A NORMAL WAY THEN THAT PERSON
~~IS COMPLETELY UNEMPLOYABLE! THEY AGREED BUT ASK ME FOR A DOCTORS STATEMENT~~

TO THAT EFFECT AND I TOLD THEM THAT NO DOCTOR WOULD SAY ANYTHING OF THE KIND,
BUT CHARLES FINCH WHEN I PRESENTED HIM WITH SUCH A MEDICAL STATEMENT TOLD ME
THAT DR. FATTIC DIDN'T HAVE THE BRAINS AND EDUCATION TO RECOGNIZE SICKNESS WHEN
HE SAW IT AND IF HE CONTINUED TO STAND BEHIND ME HE (CHARLES FINCH) WOULD PUT

DR. PATRIC ON THE BUM AS HE WAS DOING ME BY TAKING AWAY HIS LICENSE TO PRACTICE MEDICINE: AND SO WHO IS THE TOP DOG IN MY LEGAL ENVIRONMENT THE DR. WHO TO HOLD ON TO HIS JOB JUST HAS TO KNUCKEL UNDER TO A FORMER POLICEMAN AND NOW STATE DEPT MAN AND COME UP WITH THE KIND OF DIAGNOSIS THE STATE DEPT REQUIRED HIM TO COME UP WITH OR GO ON THE BUM --- OR IS THE STATE DEPT MAN WHO CAN REQUIRE A DOCTOR TO COME UP WITH THAT KIND OF DIAGNOSIS? IN OTHER WORDS WHO IS TOPS IN MY LEGAL LIFE THE STATE GOVERNMENT OR THE DOCTORS? WELL ?

OF COURSE THE STATE S.S. BOARD CHECKED UP ON SUCH AN OUTLANDISH SITUATION AND FOUND IT CORRECT IN ALL MY STATEMENTS AND SO THEY PUT ME ON S.S. DISABILITY BUT OF COURSE LEFT IT UP TO GAIL RUSSEL OF THE BENTON HARBOR OFFICE AS TO THE AMOUNT AND IT IS GAIL RUSSEL WHO SAID IN REPLY TO A REQUEST OF MINE AS TO WHETHER I WAS ON DISABILITY OR NOT HE SAID AND I QUOTE "YESS YOUR ON DISABILITY PENSION BUT THE AMOUNT IS CLASSIFIED" !

NOW I CLAIM THAT IF THEY CANT TELL ME THE PROPER AMOUNT OF THE CHECK THAT I AM GETTING FROM THEM THEN THERE IS SOMETHING CRIMINAL GOING ON, AM I RIGHT? SO YOU SEE I HAVE ALMOSE EVERY RIGHT TO BELIEVE THAT ROMNEY IS GETTING MY MISSING 20% OF MY PENSION AMOUNTS.

NOW AS TO WHY I THINK THAT ANY OF MY PENSION AMOUNT IS MISSING .

I SIGNED A LEGAL FORM WITH THE STUDEBAKER RETIREMENT PROGRAM FOR THEM TO PAY ME AGE 62 S.S. AMOUNTS ACCORDING TO MY STUDEBAKER EARNINGS RECORD TILL I WAS 62 YEARS OLD WHICH THEY DID PAYING ME \$105.00 FOR 16 MONTHS WHICH PROOVES BEYOND QUESTION THAT AT THE TIME I LEFT STUDEBAKERS THAT MY EARNINGS RECORD ENTITLED ME TO AGE 62 AMOUNTS OF \$105.00 OR DISABILITY AMOUNTS OF \$127.00 NOW THE S.S. RECORD OF SAYING THAT I'M ONLY ENTITLED TO \$105.00 DISABILITY IS CALLING ME A THEIF AND STEALING \$22.00 A MONTH OR MORE OUT OF THE STUDEBAKER- UNION RETIREMENT FUND AND AS THAT JUST ISNT SO I REALLY THINK YOU SHOULD PAY ME THE FULL AGE 65 RETIREMENT AMOUNT AND APPOLAGIZE TO ME FOR YOUR BLATTANT ARAGANCE AND ESPPECIALY IN THE LIGHT OF MY LAST CHECK CALLING YOU A LIAR IN YOUR STATEMENT THAT YOU WERE PUTTING ME ON AGE 65 RETIREMENT AND CHANGING MY RECORDS ACCORDINGLY.

SEPT. 4 1968

SENATOR WAYNE MORSE AND
THE SENATE ETHICS COMMITTEE GREETINGS:

AS JAMES CALDWELL OF ST. JOE MICHIGAN SAYS IT, "WE HAVE A GOVERNMENT OF LAW AND
WE HAVE POLITICS AND IF THERE IS EVER ANY CONFLICT BETWEEN THE TWO THE LAW
LOOSES(???????) AND MORE QUESTIONS ABOUT THAT STATEMENT(?????????????????)

SO I HAVE THE LEGAL MORAL AND ETHICAL RIGHTS TO THE S.S. BENEFITS WHICH I
WORKED FOR AND PAID FOR *****B*****U*****T*****?????????

ROMNEY'S GOVERNMENT BASED CRIMINAL RACKETEERS FAILED TO GET THE DESIRED MONEY
OUT OF ME THROUGH THEIR CRIMINAL BLACKMAIL RACKET SO IT IS POLITICALLY RIGHT
AND PROPER FOR S.S. TO GARNISH MY BENEFITS TO THE TUNE OF 20% AND SET
SAID 20% FOR THAT BRIGHT AND SHINING MEXICAN WETBACK TO ASSUAGE HIS VANITY
FOR LOOSEING OUT IN HIS ATTEMPTS AT BLACKMAILING ME IN 1963

NOW DO YOU HAVE ANY BETTER OR MORE ACCURATE SOLUTION FOR WHAT TO ME IS A
TOTALY UNACCEPTABLE SITUATION ???

YOU CANT HAVE THE LEGAL SOLUTION BECAUSE WHEN THERE IS A CONFLICT BETWEEN
THE LAW AND POLITICS THE LAW ALWAYS LOOSES.

YOU CANT HAVE AN ETHICAL SOLUTION BECAUSE POLITICS ARE ETHICALLY BANKRUPT !
(CHECK THE I.R.S. DETROIT OFFICE IN THE LIGHT OF U.S. TAX COURT DOCKET 1460-67
YOU CANT HAVE A MORAL SOLUTION BECAUSE POLITICAL MORALS ARE LOWER THAN THE
RAT DEN UNDER THE FLOOR OF THE BOTTOMLESS PIT AS SHOWN BY JUDGE EARL WARREN
WRITEING OUT THAT FAMOUS RED HERRING REPORT THAT MADE HIM AN ASSORY AFTER THE
FACT TO THE MURDER OF JOHN F. KENNEDY

YOU CANT COME UP WITH A SENCABLE SOLUTION BECAUSE POLITICA (CRIMINALLY CORRUPT
POLATICS)JUST ARENT SENCABLE AS SHOWN BY THE GOVERNMENT PEOPLE SELLING OUT
THEIR COUNTRY AND THEIR BIRTHRIGHT TO THAT BUNCH OF CRIMINAL HOODLUMS FROM
ITALY (THE MAFIA)

~~YOU CANT COME UP WITH A DECENT SOLUTION BECAUSE POLITICS JUST ARENT DECENT~~
AS SHOWN BY WHAT HAPPENED TO THE U.S. SPY SHIP (THE LIBERTY) AT THE BEGINNING
OF THE COLD WAR LAST YEAR,

IN CASE YOU HAVENT KNOWN HOW THE ISRAELITES WHIPPED THE WHOLE WORLD IN 1948

NEWS ITEM: THE U.S. CONTINUES ITS EMBARGO ON ARMS TO ISRAEL.

NEWS ITEM: SOME ARMS ARE BEING SENT TO THE ARAB COUNTRIES BY THE U.S.

NEWS ITEM: KOSYGIN TELLS L.B.J. IN GLASSBORO THAT COMRADE HO CHI MINH EVALUATION OF U.S. GOVERNMENT ETHICS ARE FAR MORE CORRECT THAN THE IDEA FORMERLY HELD BY THE RUSSIANS SO THE RUSSIANS WERE ADOPTING COMRADE HOS EVALUATION OF THE U.S. GOVERNMENT AS TO IRRESPONSIBLE AND UNTRUSTWORTHY TO DEAL WITH.

NEWS ITEM: TO SUPPORT COMRADE HOS WAR EFFORT OVER 600,000 YOUNG ADULT MALE CHINESE HAVE EMIGRATED TO CAMBODIA IN THE LAST FEW MONTHS (???)

AND SO WE SEE FROM THE NEWS MEDIA THAT COMRADE HO WON THE VIET NAM WAR BY THE WAY THAT THE MID EAST WAR WAS STARTED ????!!! HE IS GETTING RUSSIA AND CHINA TO WORK TOGETHER TO PUSH THE U.S. ARMY INTO THE SEA AS KOSYGIN TOLD L.B.J. THEY WOULD DO.

NOW IF YOU STUDY OVER THOSE NEWS ITEMS YOU WILL SEE WHY THE U.S. WAS ACCUSED OF INCREDIBLE TREASON BY THE ARABS AND THE RUSSIANS. *over*

AND ALSO WHY THE EGYPTIANS WELCOMED THE ISERALITE PLANES AS THEIR OWN.
AND WHY THE ISERALITES MADE SURE THAT THE U.S. SPY SHIP WAS PUT OUT OF COMMISSION
AND WHY THE ISERALITES TALKED AS HARD TO THE U.S. AS TO THE ARABS.
AND WHY DEAN RUSK SAYS THAT THE U.S. HAS NO INFLUENCE OVER ISERAL NO MORE.
YOU WILL ALSO COME TO THE PROBABLY ACCURATE CONCLUSION THAT THE ISERALITES KNOW
WHAT THE U.S. SPY SHIP WAS DOING DELIBERATELY USED IT TO SET UP EGYPT'S AIRBASES
AS SITTING DUCKS FOR THEIR JUMPING NASSERS GUN AND STARTING THE WAR A FEW HOURS
EARLY BUT OH HOW SUCCESSFUL THEY WERE IN LETTING THE U.S. SPY SHIP BETRAY ITSELF
RIGHT ?

AUTHER GOLDBERG WHEN ASK IF HE AS A JEW STOOD BEHIND WHAT THE U.S. GOVERNMENT
DONE IN THE MIDEAST LAST JUNE HE ANSWERED BY RESIGNING FROM THE U.N. AND REFUSED
ANY MORE EMPLOYMENT IN THE U.S. GOVERNMENT.

NOW BACK TO MY PROBLEMS IF YOU GET THE U.S. GOVERNMENT TO MAKE ANY POLITICAL
SETTLEMENT WITH ME IT WILL PROBABLY BE OF THE TYPE THAT DEMANDS THAT I CUT MY
THROAT AND DROP DEAD (FIGURATIVELY SPEAKING) BECAUSE THEY DO NOTHING ANY MORE
IN A DECENT OR ETHICAL OR MORALLY PROPER MANNER . RIGHT ? WELL WHY ISN'T IT RIGHT
ALL THE KNOWN FACTS OF LIFE PROOVE IT TO BE RIGHT AND THE F.B.I. AS QUOTED BY
THE I.R.S. DETROIT OFFICE KNOWS THAT I KNOW THE FACTS OF LIFE AND ONLY TOO WELL!
AND SO THE FACTS OF LIFE SAYS THAT I GOT A MORAL ETHICAL AND LEGAL RIGHT TO ALL
THE S.S. BENEFITS THAT I WORKED FOR AND PAID FOR BUT THAT NONE OF THAT CUTS
ANY ICE SEEING THAT ,THE DISPLACED PERSON(MEXICAN BY BIRTH AND NEVER LEGALLY
LEAVING MEXICO OR LEGALLY ENTERING THE U.S.)WHO SITS IN THE GOVERNORS CHAIR IN
LANSING DEMANDS THAT I DONATE 20% TO HIM TO MAKE UP FOR THAT WHICH HE FAILED
TO STEAL FROM ME IN 1963 THROUGH BLACKMAIL METHODS.

AND THE (FACTS OF LIFE) DEMANDS THAT I RESPECT YOU PUBLIC PEOPLE AND CALL YOU
HONORABLE : AND SUPPORT THE CAPITALIST SYSTEM WHERE WHAT YOU PAY FOR YOU GET ?
OH YEH! OH YEH ! HAW HAW HAW HAW HAW WHAT A BALL YOU MAKE OUT OF THE FACTS OF
LIFE.

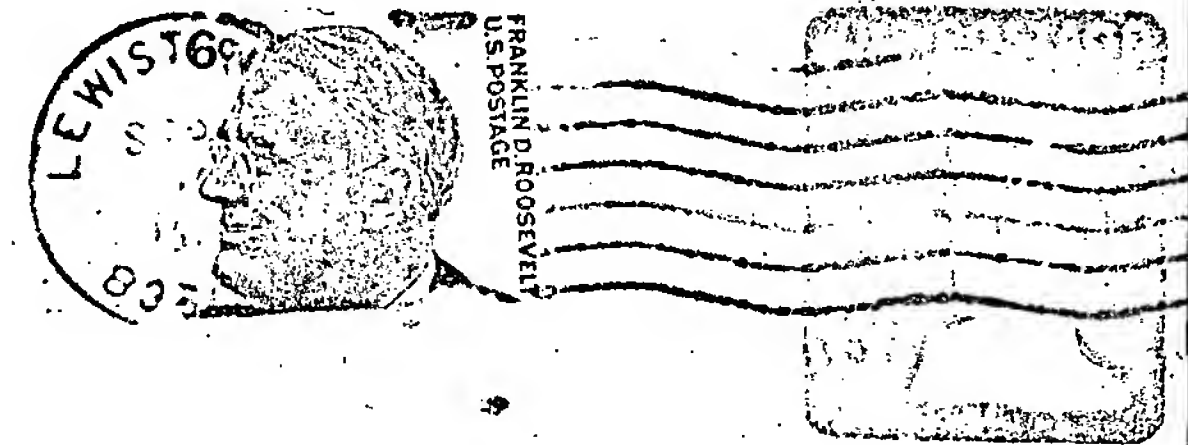

AS IT IS TIME FOR ME TO QUIT FOR TODAY AND AS I HAVE OTHER GRIEVANCES AGAINST
THE GOVERNMENT I WILL QUIT FOR NOW BUT WRITE MORE LATER , O.K.?

SUBJECT: GOVERNOR GEORGE W. ROMNEY
REPUBLICAN-MICHIGAN
APPOINTED SECRETARY OF HOUSING AND
URBAN DEVELOPMENT IN NIXON ADMINISTRATION

George W. Romney We have learned that captioned has been appointed Secretary of Housing and Urban Development by President-elect Nixon. Our files reveal that Romney, born 7-8-07, Chihuahua, Mexico, attended the University of Utah and The George Washington University (1929-30). A former top-level executive with the American Motors Corporation, he was elected Governor of Michigan in 1962. He was a missionary for the Church of Jesus Christ of Latter-Day Saints in Scotland and England (1927-28) and from 1929-30 he was a tariff specialist for U. S. Senator David I. Walsh.

D.C. We conducted an investigation of Romney in connection with a Department of Labor position in 1949, which was favorable. He has expressed high regard for the Director and the Bureau on a number of occasions and the Director has congratulated him on his election and re-election as Governor of Michigan. By letter dated 4-16-65, the Director thanked Governor Romney for a framed proclamation signed by the Governor and presented to the Director by the Booth Newspaper Editors during the April, 1965, convention of the American Society of Newspaper Editors.

[redacted] as a clerical employee in the Crime Records Division and resigned [redacted] to serve in a missionary capacity with the Mormon Church. His service was satisfactory. The Director wrote Governor Romney in April, 1966, to advise of [redacted] appointment.

The Director saw Mr. and Mrs. Romney on 9-13-67 at which time a colored photograph was made of the occasion and subsequently sent to the Romneys. No arrest record located concerning him.

RECOMMENDATION:

For Director's information.

Gentlemen; Re; Report which I ~~phoned~~ you
Sunday afternoon, Aug. 9th
2 husky niggers talking about killing
Ex.Gov. George Romney's wife.

About noon, Sunday, August 9th, I was drinking a cold can
of orange juice at the rear of Martin's oil station, the
largest in this town of Princeton, corner of Chesnut and
Main, when two rather husky niggers walked in and dropped
money into the cigarette machine; one of the fellows showed
the other fellow a news paper with pictures of the three
negroes who were killed out in California; he said "our
fellows got killed but they got the Judge, and if they had
more guns with them they should have killed those pigs and
they would have gotten away; and here is a picture of
Gov. Romney's wife, and she is running for the Senator job;
if we let her get elected she will probably give us as
much trouble as her husband did when he was Governor; so
when we get back to Detroit next week we will get our gang
to bump her off; we sure don't want any more of that Romney
gang in office"; they did not see me because I was behind
the two six foot soft drink containers.

They sell quite a lot of gas to negroes here and I assumed
that these fellows had a car-- so when they left, I follow
them, thinking I would get the number of their car; but
they apparently had no car, because they just walked east
on Chesnut street, which is towards the negro section.
If I was a young man I might have gone around and talked to
them about their plan, but at my age of 74, that might be
quite unwise, to tangle with two about 25 year old huskies.
I accidentally met Ex.Gov. Romney about twenty years ago in
Utah, but have never seen him since; but I have read about
his great success with American Motors and his great suc-
cess in correcting the bad financial condition of the State
of Michigan when he was elected Governor, and now he is
Secretary of H.U.D.; ~~EX-110~~ decided to phone Mr. Romney, but
was unable to reach him, and since he would tell you about
the matter, I decided to give you the information direct.
If these fellows should show up again, I will get in touch
with our local police department and have them try to find
out their names and addresses.

Very truly yours,

Miles Andrews

Beckwith Will Run For Lt. Governor

JACKSON, Miss.—Byron de la Beckwith, who was twice tried for the ambush murder of civil rights leader Medgar Evers, yesterday announced his candidacy for Lieutenant Governor of Mississippi.

The 45-year-old former fertilizer salesman called for a platform to the far right. "White folks are not going out of style, and when I vote it'll be for the far right," he said. There are three other announced candidates, including State Sen. George Yarbrough.

In Beckwith's two trials in 1964, the defense contended that the death rifle bearing Beckwith's fingerprint had been stolen before the killing. Both trials ended in hung juries.

At Fayette, Medgar Evers' brother said he was not surprised at Beckwith's candidacy.

"I'm sure he will get quite a few votes," Charles Evers said. "I'm not surprised, that's Mississippi for you."

Leary Arrested

DETROIT — Dr. Timothy Leary, the high priest of the LSD cult, was arrested by U.S. customs officers on charges of failing to register as a narcotics violator before leaving the country. Leary, a former Harvard professor, was turned back by Canadian officials at Windsor, Ont., Monday night. But U.S. agents said that by crossing the river tunnel to Windsor, he had been technically on Canadian soil, since the border is in the middle of the river.

Leary is still appealing his conviction last March on charges of smuggling marijuana from Mexico to the United States.

• Atom spy Morton Sobell lost his twelfth Federal Court appeal aimed at upsetting his 1951 conviction and 30-year prison sentence.

• The Michigan Court of Appeals upheld a Circuit Court finding that Gov. George Romney had not slandered any individual members of the John Birch Society when he likened the group's tactics to those of the Communists.
